

## How to download OneClickdigital eBooks to your PC or laptop

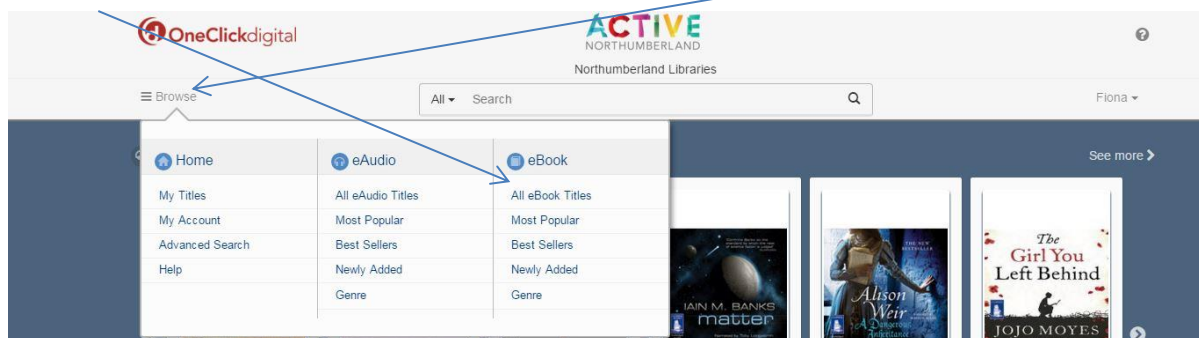

1. The very first time you use this service you will need register. Once you have done this you will not need to do it again. You will need your library card number to do this. You will also need to set up your OneClickdigital username and password which you will then use each time you login. To register please go to <http://northumberland.oneclickdigital.eu/> and click on “register”. This can be found in the top right of the screen.

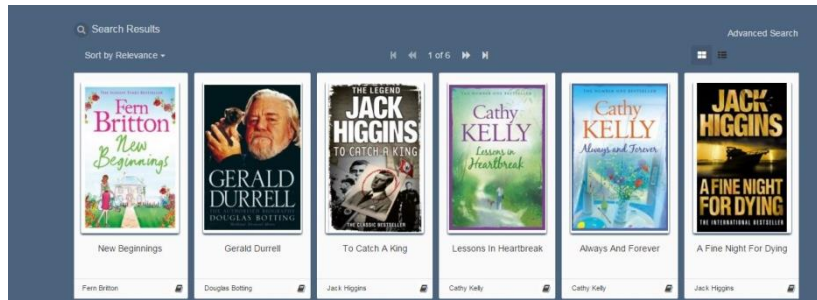

2. You will also need to download Adobe Digital Editions to your PC and set up an account. If you have used our old eBook system you will already have an account. You can download Adobe Digital Editions by visiting the Adobe website - <http://www.adobe.com/uk/solutions/ebook/digital-editions/download.html>.
  - a) The first time you use Adobe Digital Editions on your PC you will need to Authorize the Computer. Open Adobe Digital Editions and go to “Help” the third option along at the top of the screen. Click on “Authorize Computer”. A box will appear where you can log in with your Adobe ID or you have the option to create a new ID if you do not have one.
3. Visit the OneClickdigital website - <http://northumberland.oneclickdigital.eu/> and login with your username and password.

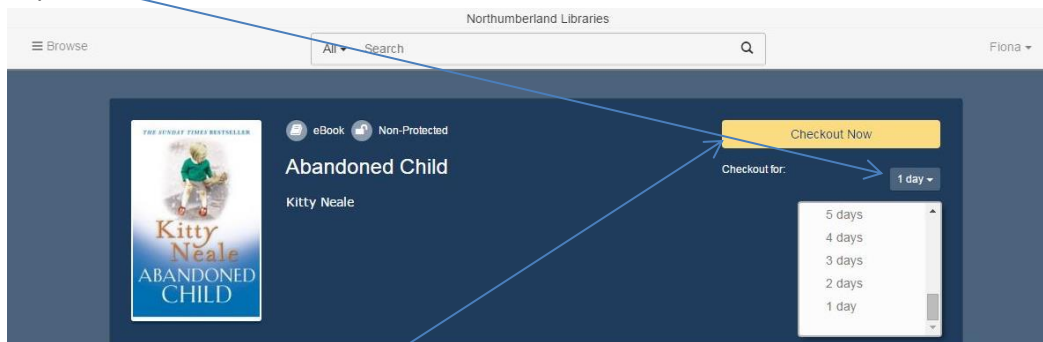

4. Once logged in to view all eBook titles and not just the featured ones – click on “Browse” and then choose “All eBook titles” from the menu.

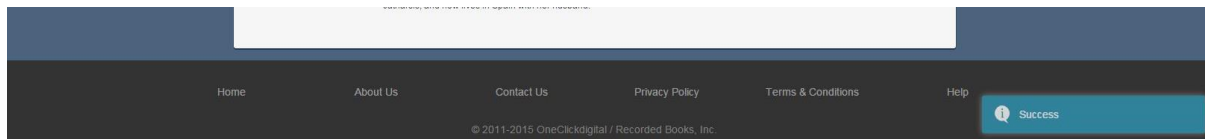

5. Select the eBook you wish to find out more about by clicking on it.

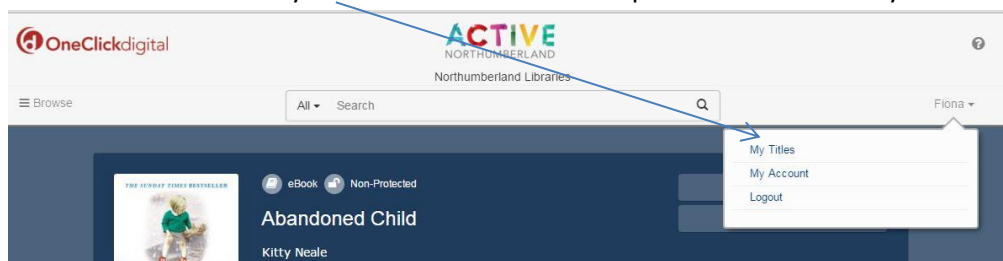

6. Choose how many days you wish to borrow the eBook for by using the dropdown menu. You can choose from 1-21 days.

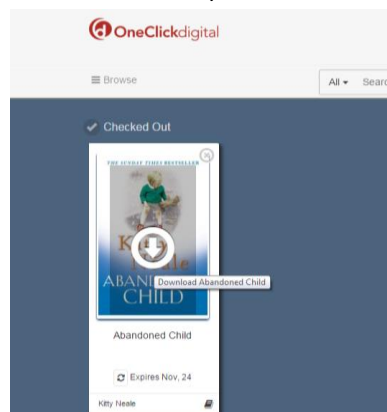

Then click on the yellow "Checkout Now" button. A message will appear at the bottom of the screen to the left hand side if it has been successful.

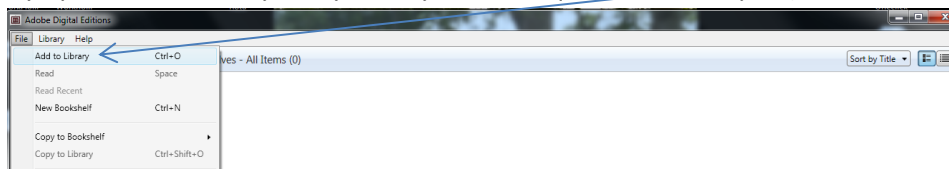

7. To download the ebook click on "My Titles". It will be in the dropdown menu next to your username.

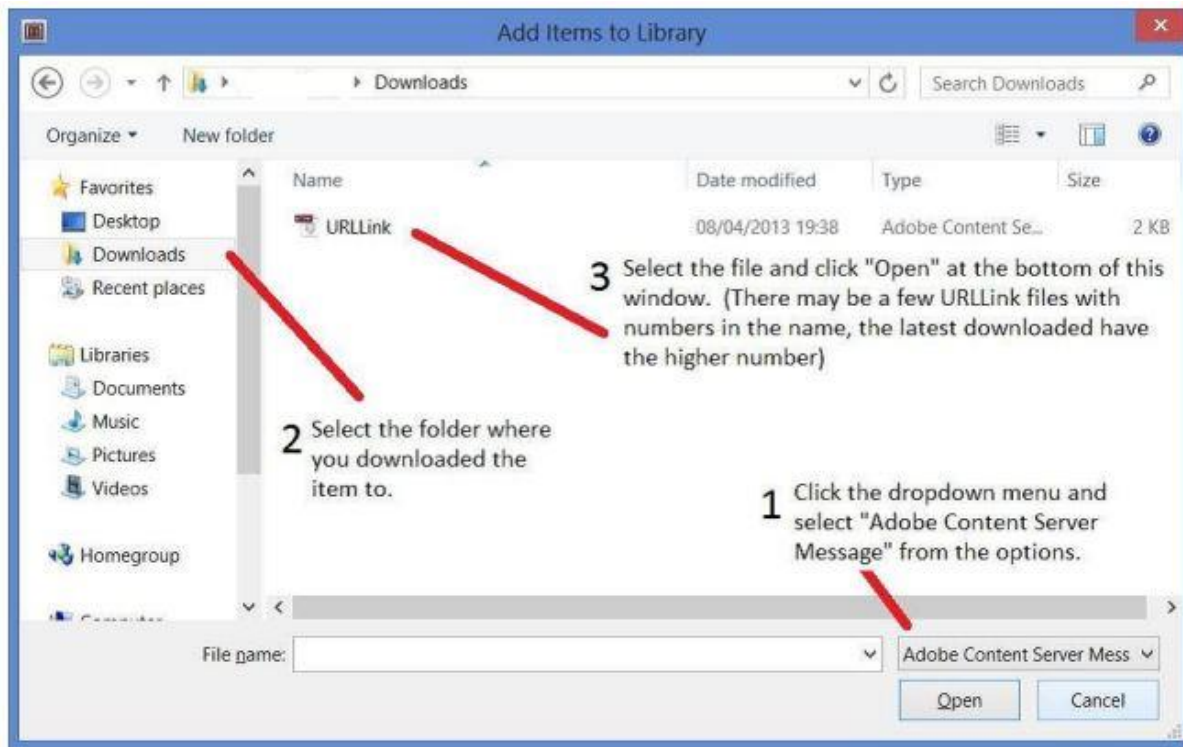

8. All the eBooks you have chosen will appear here. Select the one you wish to read and click download (It is the circle with the arrow on in the middle of the eBook)

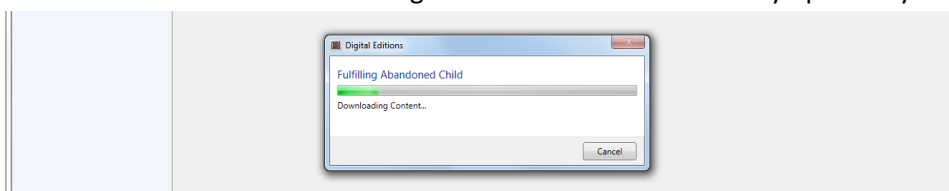

9. Now open Adobe Digital Editions and click on the first option "File" in the menu and select "Add to Library" (Your eBook may open automatically and you may not be required to do step 10)

10. In the "Add Items to Library" window that pops open (numbered instructions in image below)

11. Your eBook will now be transferred to Adobe Digital Editions and automatically open for you to read.

12. If you wish to return an eBook title early or renew it (providing it has not been reserved by someone else) Go to the OneClickdigital website and go to "My Titles", locate the item and you can then choose to return or renew.
